

KNGF

One of the projects of Rotary Club Amsterdam
international

Goal of the KNGF

- A foundation that educates dogs not only for the blind
- But as well for PTSS
- Children with autism
- People with other limitations as wheel chairs
- darm cancer research

Rotary goals

- We want to improve the lives of people, also in our community, and have a lasting impact.
- With this project we support people, and also children and students (depending on what type of dog our pup becomes) to reach their full potential, and enable them to become active participants in our society.
