

A BENEFIT EGYPTIAN GALA NIGHT

**FOR CLEAN DRINKING WATER IN THE
WESTERN DESERT OF EGYPT**

**SATURDAY 9 APRIL 18:30 - midnight
AMSTERDAM HILTON DIAMOND ROOM**

ROTARY CLUB AMSTERDAM INTERNATIONAL (RCAI)

Welcome to join the members of Rotary Club Amsterdam International their friends, families and guests for a delightful, gastronomic and fun-filled evening in an Egyptian atmosphere!

Excellent raffle prizes to be won and fabulous exclusive auction items will be sold under the expert supervision of Max Hemelraad.

We welcome you to a night full of surprises, enjoyment, fun and pleasure - AND you will be contributing to secure clean drinking water for children and families in Farafra a small village in the western desert of Egypt.

With this Fundraising Gala Dinner RCAI aim to provide long term accessibility to safe and clean drinking water for a village and school located in an oasis 30 km of Farafra in the western desert of Egypt. Groundwater extracted from the Nubian sandstone Aquifer has an extremely high iron content that turns water orange. People are using zirs to filter the water, but bacteria and other pathogens accumulate when transporting the water. Unhealthy water is causing many health issues such as kidney and liver problems. Autracon has developed an innovative solar driven solution to generate up to 10,000 liters clean water per day, enough for a whole village. Clean water that is essential to give this children and their community a future and a healthier life. RCAI is very proud to contribute to this fantastic cause and funds raised during this special Gala evening will be used to provide a long term clean water solution for the children and families in Farafra.

Ticket price for this fantastic evening including your contribution to RCAI Clean Water Project: € 125 per person € 1125 for a table for 10 persons Dress Code: Festive!
