MWANZA SCHOOLS WASH PROJECT

2024-2025 (COMPLETED)

Recognized by government as the best school WASH approach in Tanzania, we are proud to present our joint project between the Rotary Clubs Worldwide, Mwanza Urban Water and Supply Authority (MWAUWASA), Mwanza City Council, Ilemela Municipal Council, Dutch Drinking Water Operators V&I and Water 4 Life (The Netherlands). The project provides **sustainable, safe, dignified and sound** Water, Sanitation and Hygiene facilities at Primary schools in Mwanza City.

Our aim was to reach **15.000** pupils, teachers and staff at **10** schools.

**OUR COLLECTIVE DREAM IS FOR ALL CITIES IN TANZANIA TO HAVE
WASH COVERAGE AT PRIMARY SCHOOLS**

**TO ACHIEVE THIS, WE ARE CURRENTLY SEEKING FUNDS FOR SCHOOLS IN
TANGA, DODOMA, MOSHI, STONETOWN AND DAR ES SALAAM**

(\$30,000 PER SCHOOL)

With this amount the Project provides (per school):

- Safe, sound and dignified toilets for girls and boys including a changing room for girls, a less-abled toilet for girls and boys and a teacher toilet for men and women
- Safe water provision through connection to the water network
- Hygiene trainings, behaviour-change campaign, hygiene kits and dream clean sanitation teams

**THE ROTARY CLUB OF ARUSHA IN TANZANIA (DISTRICT 9214) IS
LOOKING FORWARD TO PARTNERING WITH YOUR ROTARY CLUB**
