Berlicum 2013

Welcome to the GSE team Brazilie Rotary District 4760

As Chairman of GSE Commission it is an honour to welcome the Brazilian Team.

On behalf of all Rotarians in District 1550 I would like to warmly welcome you. I do hope that you all will have a pleasant stay with us and that you may look back to this 'special time in your life' for many years after.

For all team members it is always an enormous experience and a start of new friendship and in these days of globalisation: a better understanding for each other.

I would like to pass on my gratitude/thanks to the 8 receiving/welcoming clubs for their efforts and this beautiful program. Also I would like to thank governors: Carol Govers, Maria Socorro Silveira, colleague Carlos Mucida and the GSE Commission for their efforts.

Yours sincerely,

Herman Olde Hampsink
GSE Chair Rotary District 1550

Queridos amigos do Distrito 4760,
Belo Horizonte, Brasil.

Bem-vindo na Holanda, bem-vindo ao Distrito 1550

With your permission I'll switch to English, which is unfortunately the only official Rotary language that I have a working knowledge of. So welcome to the Netherlands, welcome to district 1550.

District 1550 is one of the seven districts in the Netherlands. Located in the southeast of the country and bordered by Belgium and Germany. The district consists of (parts) of three provinces: Gelderland, Noord-Brabant and Limburg. This part of the Netherlands is known for its relaxed atmosphere, its friendly people, its international awareness and of course the way we celebrate Carnival. The big difference with the world-famous Brazilian Carnival being of course that we are celebrating in winter whilst yourselves are celebrating Carnival in a much more pleasant climate. However it is not Carnival that brings you here, it is the more serious business of the Group Study Exchange.

The Group Study Exchange (GSE) program of The Rotary Foundation of Rotary International is a unique cultural and vocational exchange opportunity for young business and professional men and women in the initial years of their professional life. For four weeks, you can study the Netherlands' institutions and ways of life, observe your own vocations as practiced elsewhere, develop personal and professional relationships, and exchange ideas.

Having participated in this rewarding, 'once-in-a-lifetime' experience, you will return home with a broadened cultural perspective and new understanding of another nation's history, language, commerce, and government. You will have had a unique opportunity to develop leadership skills, work on team building, and increase self-confidence.

When speaking to the clubs that will be your hosts in the coming few weeks I learned that it is their intention to offer you opportunities for all of the above, but on top of that they will do their utmost so that you will be having a great time, this 'once-in-a-lifetime' experience indeed.

I would like to thank, in advance, the GSE-chair Herman Olde Hampsink and his committee members, as well as all clubs and Rotarians hosting you, for extending their hospitality to you, for taking their responsibility and for organizing -what they hope will be- a tremendous home stay for the members of the inbound GSE-team 2012-13.

I wish you an unforgettable stay in our country, making new friends and giving you new inspiration for future times. I am confident that all of us have been able, whilst working together in a very pleasurable way, to advance world understanding, goodwill and peace.

Enjoy Rotary!

Carol Govers
