Program:

First week:

Theme: "Dutch impressions, a discovery of Holland"

Rotary Club Waddinxveen invites you to our village, situated in the "green heart" of Holland.

Amsterdam, Rotterdam and The Hague, the three mayor cities of The Netherlands, are easy to visit from Waddinxveen. The program will let you enjoy your stay with the host family, your fellows and our Rotary Club. In the beginning of the tour the recreation items in the program will bring you as a group together.

We will introduce you to the Dutch Culture and you will discover the typical polders, lakes, dikes and of course the world-famous windmills. There will be trips by boat and there will be a bicycle tour through the Dutch countryside. Of course there is also time available for pleasure and relaxation in and around the water. We will visit our capital Amsterdam which offers a mix of (multi)culture, history and future. In The Hague, the *de facto* judicial capital of the world, we will show you how our democracy works. You will be amazed when touring in one of the biggest harbours in the world: Rotterdam

At the end of the first week there will be a swinging farewell-party and we will bring you to your hosts in Tilburg for an exiting second week.

Second week:

Theme: "Sporting and cultural view of Noord Brabant".

If you like to go exploring in a sportive way, then this will definitely be something for you!

The province of Noord-Brabant is situated in the southern part of our beautiful country The Netherlands, popularly known as Holland. The Rotary Club of Tilburg, a city in the middle of Noord-Brabant, offers you a week packed full with sportive and challenging fun.

Do you like sport and cultural sightseeing? Well, Noord-Brabant is the ideal place to explore.

During your 7 day stay with the Rotary Club Tilburg, you will be introduced to the beautiful surroundings, the rich history and a variety of sportive activities. For instance you will explore one of Holland's beautiful places to be by bike (Loonse en Drunense Duinen).

You will also get the opportunity to visit Den Bosch by boat and by step. You'll learn something about the history of this old city.

You will be able to visit the water theme park called 'Neeltje Jans'. It's a theme park about the world famous Dutch Delta Works.

So far an idea of a few of the activities during this fun packed week, which will come to an appropriate end with a big party!!

If these fantastic active weeks are something for you, then please register and we will look forward to meeting you in The Netherlands in June and July 2011!!
