RC Venray will be your host. The village Venray is located in the northern part of the Province of Limburg. This province is in the south-east of the Netherlands bordering on Germany. Maastricht, the capital of this province is well known from the undersigning of Schengen treaty in 1985 thus eliminating the borders between the various EU countries for traffic.

The region of our Rotary club is well known for its industrial activities, especially logistics.

To get an impression of the region, visit the website www.lekker-genieten.nl.

In the programme of this week we plan to have a visit to Maastricht and a variety of outdoor activities (e.g. cavebiken, canoe, carting) and cultural topics. We will also visit the NATO Military Air Base Vredepeel in Venray.

Being together with the host families, with the group and with young people out of our region will be possible during evening sessions as BBQ, swimming, karaoke evening and other social events.

"So we can say at the end of the week: This was let's Meet and Greet!"
