# Camp Copenhagen 2011

"The Scandinavian Way -  
Environment and Democracy"

## General information

- When?** The camp will take place from Thursday, August 11 till Thursday, August 25 with arrivals and departures on the 11<sup>th</sup> and 25<sup>th</sup> respectively.
- Where?** Participants will stay at a scout's cottage 20 kilometers North of Copenhagen in an area called Naerum.  
This means that shopping, cooking, dishwashing and taking care of the place will be part of the program in addition to the activities listed under "What?"  
It also means that boys and girls will sleep in one dormitory.
- Who?** The camp accepts a total of 25 foreign participants aged 21-25 on their arrival at the camp.  
We take a maximum of one girl and one boy from each country who must be capable of communicating in English which is the language of the camp.  
Further more, participants must *not* have taken part in more than one Rotary camp before this one, and must be sponsored by a Rotary club in their own country.  
Health insurance, visa etc. is all your own responsibility.
- How?** You organize and pay for your own journey to and from Copenhagen.  
While you are here, accommodation, necessary food, transport and entrance fees will be provided.  
Only, you must pay a 500 Danish Crowns (€70) participation fee on your arrival. Further more you are recommended to bring about DC 1000 pocket money. Denmark is not a Euro-country.

## Program

The program of the camp focuses on two important features of Scandinavian society and tradition: environment and democracy.

As for the environment, you'll experience Danish nature, and we'll show you how we try to protect our environment against the threats to it.

Our democracy part will focus on democracy at work and on taking care of those in need.

Also, we plan a vocational day where you can visit places of work according to your own educations, jobs or interests.

We'll show and tell you a lot, hoping that you'll let yourselves get involved and maybe inspired. But we also want you to tell us what's important to you in your own countries; that's what "The peoples' day" is about.

But of course you can't leave **Camp Copenhagen 2011** without having visited Tivoli, seen the Little Mermaid, visited a castle and been to Sweden, not to mention visiting Rotary clubs. So we'll see to that too.
