New Great EGYPT

(25-01-2011)

- **USA president Obama** : We must educate our children to become like young Egyptian people.
- **Britain's Prime Minister** : We must consider teaching the Egyptian revolution in schools.
- **CNN** : For the first time, we see people make a revolution and then clean the streets afterwards.
- **Prime Minister of Italy** : There is nothing new in Egypt. Egyptians are making history as usual.
- **Stoltenberg, Prime Minister of Norway** : Today we are all Egyptians.
- **Austrian President Heinz Fischer** : The people of Egypt, are the greatest people of earth; and they deserve a Nobel Prize for Peace.
