

ROTARY S.T.E.P. PROGRAM

SPACE CAMP TURKEY

SUMMER 2011

1. Students will attend a six-day international session in English. Alternative dates of the sessions will be:
 - July 17-23, 2011
 - July 31 – August 06, 2011
 - August 14-20, 2011
2. Students should be between the ages **12-15.5** years old. (Note – ages born between – **January 1996 through June 1999**).
3. Cost for the six-day program will be a special discounted price: \$330 per student.

(Space Camp Turkey is charging \$660 for the six-day program in English for the summer of 2011. A similar program in Huntsville, Alabama, would cost over \$1200.)
4. All registration documents and one payment for all students are to be submitted together **no later** than April 1, 2011.
5. There will be **no need** for chaperones to stay with the students while they are participating in the Space Camp programs.
6. Students will be covered by Space Camp Turkey's insurance while they are participating in the six-day program.
7. What we offer as Rotary is : We add 1 week family stay after camp or before the camp.
