- Where?** Participants will stay at a scout's cottage 20 kilometers North of Copenhagen in an area called Naerum.

Health insurance, visa etc. is all your own responsibility.
- How?** You organize and pay for your own journey to and from Copenhagen.  
While you are here, accommodation, necessary food, transport and entrance fees will be provided.  
Only, you must pay a 500 Danish Crowns (€70) participation fee on your arrival. Further more you are recommended to bring about DC 1000 pocket money. Denmark is not a Euro-country.

# The Scandinavian Way - Environment and democracy

## Program

The program of the camp focuses on two important features of Scandinavian society and tradition: environment and democracy.

As for the environment, you'll experience Danish nature, and we'll show you how we try to protect our environment against the threats to it.

Our democracy part will further to political democracy focus on democracy at work and in education and on taking care of those in need.

Also, we plan a vocational day where you can visit places of work according to your own educations, jobs or interests.

We'll show and tell you a lot, hoping that you'll let yourselves get involved and maybe inspired. But we also want you to tell us what's important to you in your own countries; that's what "The peoples' day" is about.

But of course you can't leave **Camp Copenhagen 2011** without having visited Tivoli, seen the Little Mermaid, visited a castle and been to Sweden, not to mention visiting Rotary clubs. So we'll see to that too.
