The camp will take place from the 5th of August to the 19th of August 2012 and we therefore expect your arrival on the 4th or 5th of August. We aim to invite 16 young people from the age of 16 to 20 years.

You will be staying at a Rotarian family in the area of Frederikssund. The transport will mainly take place by biking. We have not finalized the program in details but we hope to be able to visit some local attractions as the town hall, the Viking settlement, a Castle, participating in a sailing trip on Roskilde Fjord and visiting a nearby old forest at Frederikssund. In addition, we would like to show you the very old Capital of Denmark namely Roskilde as well as the Capital by to day Copenhagen. There will also be time for visiting the high school and meet with young local people at your same age.

You will be introduced to local and national history and culture and last but not least you will have the opportunity to be together with other young people from many different countries. There will also be time for learning each other, having fun and create close relationships.

Please look at the webpage www.visitfrederikssund.dk for further information about Frederikssund.
