Think Egypt "TE2, Egyptology 2013 camp"
28th June : 08th July, 2013

Egypt is probably the world's oldest civilization having emerged from the Nile Valley around 3,100 BC, historically. Egypt is probably one of the oldest vacation spots. Early Greeks, Romans and others went there just for fun, and to see the wonders of some of mankind's earliest triumphs. But Egypt is much more than Pyramids and monuments. It is also Red Sea scuba diving, hot night spots, luxury hotels and five star restaurants. It is romantic cruises down the Nile on festive river boats, a night at the grand opera and it is a cultural experience like none you have ever experienced. Egypt is a land bustling with life, sound, visual beauty and excitement. More than anything else, we want you to think of Egypt as fun. For thousands of years, it has been the playground of emperors and kings, and we hope you will take the time to find out why.

Where possible young people with disabilities will be included in the camp or tour programs, however for the more severely disabled special camps known as '**Handicamps**' are organised where participants can be assisted by a carer. In addition to this Application Form further information from participants will be required by the organisers.

Rules and Conditions of Exchange, Permissions and Declarations

As a Youth Exchange Program participant supported by a Rotary club or district, you must agree to the following rules and conditions of exchange. Violation of any of these rules may result in dismissal from the program and immediate return home, at your expense. Please note that districts may edit this document or insert additional rules if needed to account for local conditions.

Rules and Conditions of Exchange

- 1) You must obey the laws of the host country. If found guilty of violating any law, you can expect no assistance from your sponsors or native country. You must return home at your own expense as soon as released by authorities.
- 2) You will be under the host district's authority while you are an exchange program participant and must abide by the rules and conditions of exchange provided by the host district. Parents or legal guardians must not authorize any extra activities directly to you. Any relatives you may have in the host country will have no authority over you while you are in the program.
- 3) You are not allowed to possess or use illegal drugs. Medicine prescribed to you by a physician is allowed.
- 4) The illegal drinking of alcoholic beverages is expressly forbidden. Students who are of legal age should refrain. If your host family offers you an alcoholic drink, it is permissible to accept it under their supervision in the home.
- 5) You may not operate a motorized vehicle, including but not limited to cars, trucks, motorcycles, aircraft, all-terrain vehicles, snowmobiles, boats, and other watercraft, or participate in driver education programs.
- 6) You must have travel insurance that provides coverage for accidental injury and illness, third party liability, death benefits (including repatriation of remains), disability/dismemberment benefits, emergency medical evacuation, emergency visitation expenses, 24-hour emergency assistance services, and legal services, in amounts satisfactory to the host Rotary club or district, with coverage from the time of your departure from your home country until your return.
- 7) You must purchase return travel ticket before departure from the home country.
- 8) You must attend all orientations and trainings offered by the sending and host districts and clubs.

Travel is permitted with host parents or for Rotary club or district functions authorized by the host Rotary club or district with proper adult chaperones. The host district and club, host family and if you are under 18, your parents or legal guardians must approve any other travel in writing, thus exempting Rotary of responsibility and liability.
- 11) You must return home directly by a route mutually agreeable to your host district and, if under 18, your parents or legal guardians.
- 12) Any costs related to an early return home or any other unusual costs (language tutoring, tours, etc.) are the responsibility of you and your parents or legal guardians.
- 13) You should communicate with your host family, if applicable, prior to leaving your home country. The family's information must be provided to you by your host club or district prior to your departure.

Recommendations for a Successful Exchange

- 1) Smoking is discouraged. If you state in your application that you do not smoke, you will be held to that position throughout your exchange.

- 3) Make an effort to learn the basics of the language of the host country.

- 8) If you are offered an opportunity to go on a trip or attend an event, make sure you understand any costs you must pay and your responsibilities before you go.
