

Invitation to Camp Frederikssund 2014

It is a great pleasure for Frederikssund Rotary Club to invite 16 Young people (age 16-25) to join our Camp from August the 3. To August the 17.

Frederikssund is a fairly small town with about 25.000 inhabitants, 45 km north-west from Copenhagen. It is beautyfully situated on the shoreline of Roskilde Inlet that was one of the most significant waterways for the Vikings.

During your stay you will be hosted mainly by Rotarian Families. You may look forward to many social activities and various sightseeing in Frederikssund and surrounding area where transportation mostly will be on bikes. Therefore it is vital that you are familiar with biking!

The Camp will be completely *free of charge for you*. What you must pay is Your transportation to Frederikssund and back.

The Program for the Camp is at the planning Stage, but I can give You a hint:
