

## Hungarian Bridge 2014 Invitation

**The aim** of Hungarian Bridge 2014 Camp is to introduce the cultural, historical, gastronomic and economical values of Hungary. We would like to make sure that after two weeks in Hungary, students will be able to return to their home country with an in-depth knowledge and experience of not only Budapest, but of the country.

With the help and hospitality of Hungarian Rotary Clubs, we strive to show international students that Hungary is full of hidden wonders: from castles and Turkish ruins to Puszta-parties and great Hungarian food!

### **When?**

The Hungarian Bridge will take place July 5<sup>th</sup> – July 20<sup>th</sup>

During the two weeks, students will explore the wonders of the capital (Budapest), the beauty of the “Hungarian Sea” (Lake Balaton), the culture and gastronomy of the Hungarian Great Plains (“Puszta”) and the relaxing atmosphere of the world famous Hungarian spas! They will often be accompanied by Hungarian Rotaract members and exchange students – which will ensure that the camp provides a fun learning experience for everyone.
